Frequently Asked Questions (FAQs)

What is included in Care management fees?

Care management is a service you must provide to all consumers. To provide care management, you must:

- regularly assess the person's needs, goals and preferences;
- review their home care agreement and care plan;
- ensure their care and services align with other supports;
- partner with the person and their families or carers about their care;
- ensure their care and services are culturally safe; and
- identify and address risks to their safety, health and wellbeing.

What is included in Package management fees?

Package management is a service that supports the delivery of a Home Care Package. This service includes activities such as:

- establishing and managing home care budgets;
- coordinating services (such as schedule services and workers or arrange respite care);
- preparing invoices and monthly statements;
- responding to enquiries about invoices;
- organising third party services;
- buying equipment (such as mobility aids);
- arranging allowable home modifications (such as bath rails);
- submitting claims to Services Australia;
- maintaining and updating income-tested care fee and basic daily fee payments;
- paperwork for ceasing care;
- storing and maintaining records;
- ensuring staff are suitable (police checks and immunisation checks)
- training and educating staff;
- conducting quality improvement, compliance and assurance activities;
- complete financial reporting; and
- maintaining COVID-19 vaccination compliance documents.

What are the Government regulated limits on package fees?

Care Package (20% package)

Package Management (15% package)
